

MSU Billings Foundation Wine & Food Festival

MSUB students have big dreams. Many also face big obstacles. The Montana State University Billings Foundation works to ensure that the cost of attending college isn't one of them. This annual Wine & Food Festival raises much needed funds that provide scholarships for those students. The Wine & Food Festival has become the signature event in the region for wine and culinary enthusiasts. It requires not only the creative talents of scores of volunteers, but also the financial support of caring friends like you! Please consider a sponsorship or other contribution to make the next Wine & Food Festival a success. You're not only investing in a student's future, you're transforming a life.
